## **Press Quotes**

**Ileana's voice can be sweet as honey or powerfully compelling. Her [songs] are thoughtful and make wonderful use of vivid lyrics and melodic twists.**  
**-Michael Henningsen, Weekly Alibi, Vol. 9, Issue 34**

**...her voice is so full and unbridled, it's hard to believe that it comes from that petite, seemingly shy sweetheart on stage.**  
**-The Rag, Vol. 1, Issue 2**

**Ileana's voice is like electrically charged velvet. On some songs it is raw like lightning and other songs it is polished and soft. It has an energy all to itself.**  
**-Fletch, Bandwear.com**

**I found it reassuring that someone could be this introspective and still sing with a smile... Ileana is someone to watch out for in the scene!**  
**-Lee Sipes, MonkeyWrench, Vol. 1, Issue 1**
